RE: December 2009 Monthly Report

During the month of December the West Lafayette Police Department received **1318 calls for service**, a decrease of 227 calls (15%) from November, and a decrease of 20 calls (1%) from December 2008.

The department focused on traffic enforcement in school zones during the 1st half of the month. Over 200 warnings or citations were issued by teams of officers in the zones during the month.

The department also focused on OWI enforcement during the holidays in the month of December. Fifty extra hours were allocated to the OWI enforcement blitz by officers and several intoxicated drivers were removed from our roadways.

On December 18th Cpt. Chris Leroux graduated from the School of Police Staff and Command at Northwestern University. The school is an intensive program that combines academic principles with practical applications for the police administrator. Cpt. Leroux completed 22 credit hours at the University's Center for Public Safety in 10 weeks.

Also in December WLPD officers participated in the annual Shop With A Cop event. This year officers accompanied 25 under privileged children for a shopping spree at Wal-Mart. Later in the month, officers participated in a fund raiser for the 2010 Shop With A Cop at Nine Irish Brothers in West Lafayette. The business donated over \$600 to the program for officers working as greeters at the business on December 23rd.

Respectfully submitted,

Jason Dombkowski
Chief of Police
